To all Daf Yomi Subscribers, Shalom

With a heavy heart, I need to end the dafyomi project at this time.

For the past four years, I have invested much time and energy in the preparation of the daf yomi sheets. With Hashem’s help, and le-havdil, with the help of my dear friend Rav Harel Shapiro, I managed to cover about half of Shas. Thousands of people world-wide have made use of these pages, and their comments of support have helped to invigorate me along the way.

A few weeks ago, I was asked by the Roshei Yeshiva of Har Etzion to function as a ram in the yeshiva this coming year, a position that will require my full attention. While I managed this past year to continue the project while serving as a high school ram, this was made possible by Rav Shapiro’s assistance only. The demands upon my time will be such that this combination of forces will unfortunately not suffice. Responsibility and HaKarat HaTov to Har Etzion’s roshei yeshiva, and to Harav Lichtenstein in particular, have led me to accept the new position with much joy, while forcing me sadly to discontinue the dafyomi project.

I hope and pray that at some point I will continue with the dapim. I would be most happy to receive your feedback, and look forward to incorporating your suggestions in the future.

One last request – the entire project has to date been maintained on a voluntary basis. If anyone has any ideas how to collect the financial base for a salaried-staff, please contact us.

I wish you the very best in continuing your study of Daf Yomi,

Amichai Gordin
